## Summary

I am Muhammad Mazaya Ramadhany Satrio, an undergraduate student at Bina Nusantara University in Jakarta, Indonesia, where I am majoring in Cyber Security. Concurrently, I hold the position of staff member in the Research Division of the Cyber Security Community at Bina Nusantara University.

My academic and professional interests lie at the intersection of cyber security, defense and military technologies, as well as information technologies. Over the course of my education, I have had the privilege of living and studying abroad for a period exceeding seven years. This experience has granted me a unique perspective and the ability to adapt to diverse cultural settings. Additionally, I have had the opportunity to collaborate with individuals from various cultures and backgrounds, further enriching my worldview and enhancing my communication skills.

I am committed to utilizing my academic foundation and cross-cultural experiences to contribute meaningfully to the field of cyber security, both in academic and practical dimensions.
